RE: March Monthly Report (2/1/10-2/28/10)

Dear Ms. Broomhead:

This letter is in response to the Commission's request for additional information relating to a possible excessive contribution made to Gwen Moore for Congress as disclosed on Schedule B of the above referenced report filed by the Laborers International Union of North America (LIUNA) PAC. Upon review of LIUNA PAC and its affiliate, Laborers Political League of Laborers Local 113 PACs' records, I have been able to determine that aggregate contributions made to Gwen Moore for Congress did not result in an excessive contribution.

The transaction for \$2500, dated 2/17/10, and made by LIUNA PAC was not an actual disbursement to the Gwen Moore for Congress committee. This transaction had been entered into LIUNA PAC's filing software as part of a training exercise with LIUNA PAC's affiliate committees and was not deleted prior to the filing of the March Monthly Report. LIUNA PAC was also able to identify an additional \$1000 disbursement to Tammy Baldwin for Congress, dated 2/12/10 that was also entered into the PAC's filing software during the same training session and was not deleted from the March Monthly report prior to filing.

In order to resolve this issue, LIUNA PAC has deleted these two transactions from its filing software and has filed an amended March Monthly Report to indicate that these contributions were never made to the Moore and Baldwin committees and to reflect the increase in LIUNA PAC's cash on hand total. LIUNA PAC has also amended the April Monthly Report to reflect the increased cash on hand.

I hope this information adequately addresses your questions. If you need any further information, please do not hesitate to contact the committee.

Sincerely,

Armand E. Sabitoni
Treasurer
